MEMORANDUM FOR: Security Officer  
Director of Operations  
Director of Administration  
Communications Officer  
Base A Admin Officer

SUBJECT: Supply Procedure for the Re-supply of Detachment A

1. Attached is a proposed supply procedure for the re-supply of Detachment A in the Zone of Interior. It must be pointed out that this procedure applies only to Detachment A. Additional supply procedures will be published at a later date concerning [ ] and the base unit at Watertown Strip.

2. Request your office review the attached procedure and forward any comments to the Materiel Section no later than 19 January 1956. It is necessary that this date be met in order that needed revisions might be made prior to the publication of this procedure. It is presently anticipated that coordination through Headquarters, USAF and AEC will be effected by 20 January, which means that the system could go into operation shortly after the 23rd of the month.
